## WEEKLY UPDATE

3/3/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 20 residents and 22 staff members test positive for COVID-19.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

## **WEEKLY UPDATE**

**3/09/21**

Dear Residents and Families/Representatives,

It is hard to believe that it has been one year since COVID-19 changed all of our lives so drastically. From being forced to restrict visitors and change the way our residents communicate with their loved ones to making changes in our infection prevention and control practices, everything we have done and continue to do is an effort to keep our staff and residents safe. We want to thank our staff for their unwavering dedication to our residents and we want to thank our families for their continued support and patience as we continue to navigate this pandemic.

As always, our goal is to be transparent and provide you with weekly updates on the status of COVID-19 in our facility, including the current number of positive cases in our facility, how many confirmed cases of COVID-19 we have had since the beginning of this pandemic and our visitation status.
